**Subject:** RE: Draft Deschutes Timeline

Could we push it to Thursday? I have an argument Wednesday and will be out of pocket for much of the day. Any time on Thursday (or Friday) would work for me.

Hi Jim and Sonya,

Do you have time for a quick call re: the Deschutes TMDL timeline? I think Jim is out of the office tomorrow, so maybe Wednesday? I'm available 12-5 ET.

Thanks,

**Subject:** Draft Deschutes Timeline

Hi Leah and Dave,

I received the draft Technical Approach from TetraTech, and the draft timeline. Their timeline was more of a guiding schedule based on how fast they could produce something after EPA comments and/or receiving needed information from Ecology. I'm attaching the schedule, with my attempt to add in due dates for things based on an assumed EPA review schedule (my edits are in track changes).

I'll provide this feedback to TetraTech along with my comments on their Technical Approach, so this timeline isn't considered final yet until we have a chance to discuss it. But, I wanted you to see that, by my estimation and the timeframes TetraTech has given, Ex. 5 Attorney Client (AC)

Ex. 5 Attorney Client (AC) We can talk more next week.
